11 August 1965

MEMORANDUM FOR: Director, Program B

SUBJECT: China Mission

This office has canvassed the need for coverage of targets on Hainan Island where Program B reports the weather is good (Category 2 or 3) tonight. It is recommended that Program B not base a mission exclusively on Hainan Island but that it concentrate on taking advantage of the weather in the southern mainland with emphasis on Ping Hsiang and other targets in the area.
